BONUS QUESTIONS:

1. (+5 points) Who kills the Night King? [Jon Snow, and he dies trying. He was never gonna make it out of this anyways and he knew it.](#)
2. (+5 points) Who holds the Iron Throne at the end? [Daenerys. But she may leave the North alone. She has one dragon left to enforce, and with the steely-eyed determination as well as prophecy, inevitability of an entire series-long arc, and general main-character-ness, she will take her rightful place on the Iron Throne. Daenerys Stormborn of the House Targaryen, the First of Her Name, The Unburnt, Queen of the Andals, the Rhoynar and the First Men, Queen of Meereen, Khaleesi of the Great Grass Sea, Protector of the Realm, Lady Regent of the Seven Kingdoms, Breaker of Chains and Mother of Dragons. Dany or bust.](#)
